

PROFESSIONAL LEARNING WORKSHOP TOWNSVILLE

Tuesday 6 February 2018

Understanding ASD

Where: Selectability, 59A Cambridge St, AITKENVALE

Time: 3.30pm-5.30pm

Cost: Early Bird \$90 per person | Team (two or more) \$85 per person
(Early Bird & Team bookings close 25 January)
Standard \$105 per person

In this session, the facilitator will discuss:

- The characteristics of ASD
- The impact of ASD on individuals
- The importance of understanding the individual in order to enhance engagement and learning outcomes
- Practical Strategies when supporting individuals with ASD
- The importance of an individual profile.

The facilitator will discuss examples and cases to highlight challenges and strategies which may be useful for the individual. Questions and sharing of information /ideas is encouraged and highly desirable to enhance learning outcomes for all.

Audience: Anyone interested in learning more about ASD and inclusive strategies to assist individuals with ASD.

Our workshops are:

- ⇒ Practical & easy to understand
- ⇒ Interactive
- ⇒ Drawn from current & evidence-informed practice.
