

Fun, Friends & Feelings

A group program for children with ASD aged 5-7 years and their parents.

Would you like your child to learn to communicate effectively with peers, family and staff at school and child care?

Do you want your child to take turns and join in with other children's games?

The Fun, Friends & Feelings Program can deliver this and more!

Four to six children and their parents will participate in activities that focus on using the group environment to reinforce a range of social skills including coping with stress and frustration, communication and making friends.

Fun, Friends & Feeling is a **five-day program** (2.5 hours each day) delivered by two staff from our team of specialist therapists and educators.

This program is delivered at:

Autism Queensland Sunnybank Hills
437 Hellowell Road, Sunnybank Hills
