

### A revolutionary and evidence based social skills program for children aged 8-12 years with social and emotional challenges

The Secret Agent Society (SAS) Program helps kids crack the codes of emotions and friendships, bullying, friendly joking, conversation and social encounters.

The program consists of:

- SAS Family Kit and computer game
- Introductory parent information session
- Pre & post assessment
- Nine exciting two-hour group sessions with 'home missions'
- Nine weekly 30-minute parent sessions to provide guidance to support children's social development
- Teacher tip sheets to provide recommendations to school staff on how to support children's social development and create a friendly and caring learning environment.
- Two follow up sessions at three and six months after the program.

**Cost: \$2,427.20 + \$230.45 for the Resource Kit**

\*NDIS Individual Funding may be used for this program.

This program is delivered during school terms at:  
Autism Queensland Sunnybank Hills  
437 Hellowell Road, Sunnybank Hills
