

「TEEN TECH SHED

STUDIO G」

A social group
for young people
on the autism
spectrum aged
12-15 years

www.autismqld.com.au

Teen Tech Shed provides young people with the chance to:

- **Make new friends**
- **Learn appropriate socialising around technology**
- **Extend their knowledge of technology including programming, coding and digital media, game design, animation, illustration... and more.**

All participants are supported by mentors who are current students or recent graduates in Creative Industries programs with a strong IT focus.

Mentors work with students to encourage social skills and create opportunities for them to learn more about technology.

Teen Tech Shed runs twice weekly during school terms.

**Tuesday & Thursday
3.30pm - 5.30pm**

**The Autism Hub
141 Merton Road, Woolloongabba**

This is a fee for service program.
