

Handwriting Group Program

A group program to develop the handwriting skills of young children (5-7 years) on the autism spectrum

This program is delivered at:
Autism Queensland Sunnybank Hills
437 Hellawell Road, Sunnybank Hills

Autism Queensland Brighton
136 North Road, Brighton

Cost: \$678.94* per child

*NDIS individual funding may be used to pay for this program. Fees are based on the NDIS price guide and therefore subject to change.

Handwriting can be a challenge for young children on the autism spectrum.

This group program aims to create a more positive attitude towards handwriting by building the following skills:

- Hand and finger strength and control
- Pencil grip
- Stamina.

This is a six-week program for four children who will participate in hour-long weekly sessions run by an occupational therapist experienced in supporting children on the autism spectrum.

The therapist running the programs will contact you prior to the start of the program to discuss the individual needs of your child and the suitability of the program.
