STUDIO G

teen tech shed

This is a ten-week group for adolescents on the autism spectrum (aged 13-17) that encourages appropriate socialising around technology.

Teen Tech Shed is a group for young adolescents that encourages appropriate socialising around technology while encouraging students to extend their knowledge of:

programming

coding

digital media

game design

animation

illustration

and more!

All participants are supported by mentors who are current or recent graduate students of Creative Industries programs with a strong IT focus. Our mentors work with students to encourage social skills and create opportunities for them to learn more about technology.

Sessions run twice weekly and are facilitated in a safe and nurturing environment that is moderated by mentors.

**There is a fee for this group.
Please contact us for a quote.**

*Fees for Autism Queensland group programs are charged under the Capacity Building – Improved Daily Living section of your NDIS Plan. If you do not have funding in this specific Support Category, please discuss with your NDIS Local Area Coordinator or phone the NDIS on 1800 800 110.)
