

Customised Workshops

Autism Queensland's Professional Learning Team delivers specialised workshops on topics about autism.

Our team has many years of experience in working with individuals on the autism spectrum and will provide a workshop that is practical and easy to understand.

Attendees will have the opportunity to discuss the complexities of autism in detail. They will gain practical, strength-based ideas that can be applied immediately.

Workshops for:

- Educators
- Teacher Aides & School Officers
- OHSC Staff
- Disability Support Workers
- Employers / Workplaces

All workshops are:

- Practical & easy to understand
- Available in a variety of formats
- Drawn from current & evidence-informed practice
- Provide opportunities for case discussions

Workshops can be tailored to meet your needs and delivered at a range of venues.
