

Preparing for Year 1

A group for children on the autism spectrum to prepare for successful transition from Prep to Year 1.

Is your child transitioning to Year 1 in 2022?
Do you want to assist your child to successfully transition to school?

In this group, children will have the opportunity to:

- Participate in an education setting
- Build their pre-academic skills (e.g. handwriting, cutting, fine motor)
- Practise learning as part of a group with their peers
- Receive support from early intervention therapists and teachers.

Children will attend weekly one hour sessions over a 15-week period (15 hours total). Sessions are led by an early childhood intervention teacher and a program assistant.

There is a fee for this group. Please contact us for a quote.

Fees for Autism Queensland group programs are charged under the Capacity Building – Improved Daily Living section of your NDIS Plan. If you do not have funding in this specific Support Category, please discuss with your NDIS Local Area Coordinator or phone the NDIS on 1800 800 110.)
