

Social Skills Group

A group for children on the autism spectrum to develop their social skills

Would you like your child to learn to communicate effectively with peers, family and staff at school or childcare?

Do you want your child to take turns and join in with other activities?

The Social Skills group can deliver this and more!

Three to four participants will take part in activities that focus on developing functional abilities in the area of social skills, including turn-taking and sharing, play, social communication and friendship.

This 9-week group is available **during school terms** (60 mins per week) and is delivered by staff from our team of specialist therapists and educators.

There is a fee for this group. Please contact us for a quote.

Fees for Autism Queensland group programs are charged under the Capacity Building – Improved Daily Living section of your NDIS Plan. If you do not have funding in this specific Support Category, please discuss with your NDIS Local Area Coordinator or phone the NDIS on 1800 800 110.)
