KINDI

Delivered at AQ Cairns
15-17 Marr Street,
Edmonton QLD 4869

EarlyAQtion Kindi supports children up to school entry age to develop the skills necessary for successful participation in home and community life and transition into the next stage of their education.

These are small group programs, with 4 to 12 children in each group, depending on the needs of the children and centre facilities.

EarlyAQtion Kindi is holistic, family-focused and transdisciplinary, with all areas of your child's development being addressed, and staff having expertise and input across all areas of functioning.

Staffing varies according to the number and support needs of children in the group.

- There is at least one professional (Occupational Therapist, Teacher or Speech Pathologist) who is the Group Leader (Key Worker).
- Each group has at least two EarlyAQtion Assistants.
- Weekly support from one or more other professionals (Occupational Therapist, Teacher, Psychologist or Speech Pathologist) occurs depending on the support needs of the children in the group.

NB: A waitlist may apply to some groups.

Please note: Autism Queensland group fees are charged under the Capacity Building – Improved Daily Living section of your NDIS Plan. If you do not have funding in this specific Support Category, please discuss with your NDIS Local Area Coordinator or phone the NDIS on 1800 800 110.)

EarlyAQtion Kindi:

- Recognises the specific needs of your young child on the autism spectrum.
- Recognises parents are crucial members of the team who will help your child achieve success.
- Uses your child's individual strengths and interests to motivate learning and develop skills.
- Teaches your child skills that are meaningful and useful.
- Utilises a positive approach to behaviour support that focuses on understanding the reasons for all behaviours.
