

SCHOOL REFUSAL

Target participants: Parents and carers.

School refusal is a complex situation which can be stressful for students, families and school staff.

Students on the autism spectrum are more likely to develop school refusal behaviours than their peers.

This interactive webinar will discuss the following topics:

- The circumstances in which school refusal behaviours may arise
- Practical responses to school refusal behaviours.

Suitable for Queensland teacher CPD Annual Requirements, Australian Professional Standards for Teaching 1, 3, & 4.
