

# The Next Door Social

Every Friday from 5pm  
Ithaca Hall, Red Hill

[nextdoorsupport.com.au](http://nextdoorsupport.com.au)

The Next Door Social is a weekly, social community event for neurodivergent people.

This event is centred around playing games while learning the unwritten rules of social relationships in a safe, positive and collaborative environment.

We aim to provide opportunities for kids, teens and adults to make social connections and close, long-lasting friendships.
