# TWO WAYS TO GIVE

## DONATE EACH PAY

**Unlocking Potential:** Empower neurodiverse and Autistic Individuals with Workplace Giving.

Make a difference with every paycheck! By choosing to donate a nominated amount from each pay, you can directly support neurodiverse and autistic individuals in breaking down barriers and unleashing their full potential.

Your generous contribution of just \$5, \$10, or \$20 (each pay) can create a world of difference:

**\$5** can provide essential resources for skill-building workshops, helping individuals gain independence and confidence.

**\$10** can offer support for inclusive educational programs, nurturing talents and fostering a sense of belonging.

**\$20** can open doors to specialised employment services, empowering individuals to thrive in their careers.

Through workplace giving, you become a catalyst for positive change, enabling autistic and neurodiverse individuals to flourish and embrace their unique abilities.

Together, let's create an inclusive and supportive community where every individual can reach their fullest potential. Join our workplace giving program and be a part of this transformative journey.

## SPONSOR A YOUNG PERSON

For just \$30 per month, you have the incredible opportunity to sponsor a young person, fostering their growth, and empowering them to overcome barriers on their journey to further education or employment.

As an Autism Queensland sponsor, you become a lifeline for neurodiverse or autistic Queensland youth, equipping them with essential tools, resources, and unwavering support to unleash their full potential. Your sponsorship will provide them with vital basics such as mentorship, skills training, and access to specialised programs, enabling them to thrive in a world that celebrates their unique abilities.

By becoming a sponsor, you become an agent of change, directly impacting the lives of young individuals striving to build their futures. You'll receive regular updates and information on the transformative effect your sponsorship is making, keeping you connected to the positive difference you're creating.

Together, let's empower young minds and create a more inclusive tomorrow. To find out if your workplace offers the sponsorship option, simply reach out to your Workplace Giving Coordinator or Payroll Officer.

Be a catalyst for change and sponsor a young person today. Your support paves the way for brighter possibilities and boundless potential.
