

# Neurodiversity Works

**Helping businesses grow and embrace a neurodivergent workforce.**

Neurodiversity Works (NDW) is a bespoke employment program designed to help businesses retain neurodivergent employees and attract new talent.

## How NDW Can Benefit Your Business

- We provide customised training and resources specific to your company's needs.
- We equip your team with knowledge and confidence to embrace neurodiversity.
- We will share strategies to help you attract neurodivergent talent, and make your recruitment process more neuro-inclusive.
- We offer individualised support for managers and employees to improve retention and foster a positive work environment.

## What is Neurodiversity?

Neurodiversity refers to the natural variation in human brain function and includes conditions like autism, ADHD, and dyslexia.

Many neurodivergent individuals possess valuable skills highly sought after in the workplace such as: attention to detail, strong work ethic, a more creative approach to problem-solving, innovation and higher rates of productivity.
