All Spaces.

"AQ Inclusive Education Consultants are an ever-present guiding presence in our school. The wealth of knowledge is so precious. We are thankful for all that you do for our school."

Inclusive Education Consultancy

Statewide Delivery

Our service empowers school educators with the knowledge and capacity to foster inclusive practices that maximise access, engagement and participation of all students across the entire school community.

- **Evidence-Informed Expertise:** Gain knowledge and strategies tailored to best practices in education.
- **Highly Skilled Team:** Delivered by experienced transdisciplinary professionals.
- **Individualised Solutions:** Customised to suit your specific setting and needs.
- **Curriculum Alignment:** Aligned with the Nationally Consistent Collection of Data (NCCD) on School Students with Disability and the Australian Curriculum.
- **Collaborative Approach:** Co-designed with you to ensure success.

Empowering educators with practical strategies...

Through regular and consistent support across a school term or full school year, our consultants tailor strength-based coaching to each educator and school setting, empowering them to turn theory into practice and effectively design inclusive, thriving learning environments for every student.

1 in 7
identify as neurodivergent.*

**People who think, learn, process information, or experience the world in different ways.*

Expert support for inclusive classrooms...

Why choose AQ?

Our transdisciplinary consultancy team includes speech pathologists, special education teachers, developmental educators, and occupational therapists. Together, we combine expertise to deliver tailored, evidence-based support that addresses the diverse needs of all students, staff, and the operational requirements and practicalities of the setting.

Our state-wide team of consultants provide:

- **Direct Student Support:** Tailored strategies for students with learning differences.
- **Coaching & Mentoring:** Empowering school staff with practical guidance and insights.
- **Environmental Adjustments:** Designing, implementing, and monitoring adjustments collaboratively with school staff.
- **Education Provision:** Sharing knowledge about autism, neurodivergent learners, and universal design for learning.
- **Team Collaboration:** Partnering with school-based therapists for cohesive support.

Please note: Fees apply, contact our team for a quote. Terms and conditions apply, see website for details. School's NCCD funding may be used for Inclusive Education Consultant fees at the Principals' discretion.
