## Meet The Artist Martin Edge

Proud AQ ambassador and former AQ School student, Brisbane-born artist Martin Edge is renowned for his brightly coloured paintings. Many of Martin's paintings depict urban landscapes, with the Story Bridge and Brisbane River as pictured in this drawing, a favourite.

Martin is pictured above holding a similar painting that appeared on a merchandise collaboration with AQ back in 2019.

Our sincerest thanks to Martin for creating this lovely artwork for us to share with our community for our #ShowYourTrueColours campaign.

Martin is represented by Anthea Polson Art.
