

Project Overview

# Autistic Women Leading Change

Let's talk about work, money, & feeling secure

**Are you an autistic woman aged 21+ living in the Mackay–Isaac–Whitsunday region?** We're inviting autistic women to join small groups this March-May to talk about:

Work & employment

Money & financial stress

Independence & stability

What helps & what doesn't?

## What's involved & why join?

This is a safe space to share experiences and help shape better supports for autistic women in the region. Connect with other autistic women to share your ideas, influence real change, and learn about local supports and opportunities.

- Small, supported sessions (in person or online)
- No pressure to speak
- Facilitated by experienced, inclusive staff.
